Office of Regional Counsel

Dear Ms. Garypie,

This is in response to your certified letter dated May 26, 1993.

To the best of our knowledge we have never used the Powell Road Landfill. But, in any event, we have not disposed of any material that is hazardous or is a pollutant or contaminant.

Our refuse is taken to the Montgomery County Incinerator by a contract hauler, our metal shavings are sold to a local scrap dealer to be recycled and our coolant is biodegradeable.

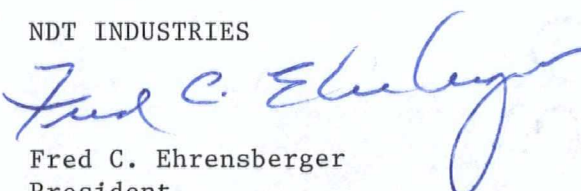

Enclosed please find:

1. Answers to questions 1 thru 18
2. Answers to financial background questions
3. 1985 - 1989 Financial Statements
4. 1985 - 1989 Income Tax Returns
5. Schedule of Insurance Coverages

It is my hope that this response is sufficient and completes your requirement.

Sincerely,

NDT INDUSTRIES

Fred C. Ehrensberger
President
